Coach's Report

SFL Coach Adam Henley

Welcome to the home of football North Hobart Oval and thanks for your support towards the SFL and NWFL. The opportunity to coach the SFL is certainly not a privilege I take lightly. We have worked on a squad for the last 6-8 weeks and we are confident in the group of committed men who will wear the SFL jumper with pride. I am fortunate to be supported by some great footy people in the way of Nathan Foale, Jamie Kaye, Ryan Wiggins and Adam Coulson.

These guys like the players are committed in ensuring we showcase the strength of the SFL competition. The investment in the SFL clubs and club coaches in ensuring the best available talent has the opportunity to represent the SFL, the SFL Club and most importantly themselves is certainly appreciated. We have great respect for the NWFL competition and the quality players that will represent them today but we look forward to a tough contest.

SFL Players to watch

Ethan Brock

Exciting small forward from the Huonville football club. Good overhead and loves to finish with a goal
