Ass. Coaches: Brent Dolliver, Ian Callinan, Josh Arnold, Brent Williams

Team Manager: Chris Goodluck

Coach's Report

SFL Senior Men's Coach - Richard Robinson

I'm looking forward immensely to the opportunity to represent the SFL Premier League community in the upcoming Tri Series.

We believe we have pulled together a squad of players from across the league that is a good mix of youth and experience that have really bought in to the rep footy opportunity. Our focus in the lead up to our first game has been on connection, commitment and education.

Regardless of club allegiances, the beauty of rep footy is the opportunity to test yourself at a higher level and have a new experience, and the group are all in on that, which is great to see. Personally, it's been great to be back in a footy environment again and to get to know this group and see new friendships develop - hopefully that translates to a good performance over both games.

SFL Players to watch

Bryce Walsh
After a huge pre-season is arguably in the best form of his long career. Bryce is a high possession midfielder with great balance and strength in the contest. Loves to lead from the front and is strong in his defensive effort.

Keegan Wylie
Versatile rebounding defender that has the capability to play tall and small and responsible for starting many scoring chains at club level. Strong in the air and good decision making and kicking skills.

Best On Ground Medal Winners

(L to R): Gary Carpenter - NWFL President, Bryce Alomes – SFL Best on Ground, Keegan Lowe – NWFL Best on Ground, David O'Byrne - SFL President.
