Coach's Report

SFL Senior Women's Coach – Craig Grace

We're excited for the upcoming Rep Series and the challenge of facing the NWFL away from home. The NWFL have shown in recent times to be the benchmark across premier league women's football, and it is a challenge our team are looking forward too.

This year's squad came together early and has focused on what it means to represent women's football across Southern Tasmania and the legacy being forged for younger players coming through.

Each game in this series presents a new challenge, and this one will be no different. We respect our opponents and expect a tough contest, but we're prepared, and the team is ready to compete with intensity and purpose.

SFL Players to watch

Grace White – North Hobart
A classy player who is equally effective forward and back

Heidi Preshaw – Clarence
A young player who has starred for Clarence this year through the midfield

Perri King – Kingborough
Contested beast who can win her own footy but also get on the outside and finish well

Brie Barwick – Glenorchy
The Pies coach and leader continues to be a dominate player and ensures her teammates get first use of the ball

Best On Ground Medal Winners

Sarah Skinner (NWFL) & Grace White (SFL)
