1 GENERAL

1.1 Introduction

(A) This Policy is established in accordance with Affiliation Agreement that exists between AFL Tasmania and the Southern Tasmanian Football League and set out the rules process and principles of a Player Points System which applies to specified Southern Tasmanian Football League Competitions in order to achieve the stated Objectives.

1.2 Objectives

(A) AFL Tasmania believes that ensuring competitions are competitively balanced is critical to safeguarding the ongoing viability and sustainability of competitions and clubs. Even and fair competitions lead to increased interest and provide better experience for stakeholders, which leads to stronger competitions and clubs.

(B) The objectives of this Player Points System Policy (PPS Policy) are to:

1. Support equalisation of community football Competitions;
2. Ensure Teams fielded in the Competition are strong and as equally matched as possible;
3. Provide opportunities to compete at a community level within an orderly and fair system;
4. Improve the sustainability of community Clubs by curbing the inflationary nature of Player payments as a result of Player movement;
5. Promote Player loyalty and junior development;
6. Enhance relationships between Clubs within the same community areas;
7. Incentivise Clubs to support junior Clubs in their community area;
8. Reward Clubs for development of players in their community area;
9. Encourage the best players to progress to the highest level;
10. Provide a consistent approach to the assessment of Player Points across all Leagues affiliated to, or governed by, AFL Tasmania; and
11. Support the role that volunteers undertake in managing their Clubs by:
    (a) Minimising the need to fundraise money for player payments; and
    (b) Providing a more competitive environment on field, that encourages more volunteers to support at Club level; and
    (c) Provide incentive to spend more time and effort in the development of football, a welcoming Club environment and growing the game within the local community.

1.3 Application

(A) This policy applies:

1. to the 2027 Season; and
2. to the Leagues and Competitions detailed in Table 1.

1.5 Interpretation

(A) In the interpretation of this Policy:

1. Words importing the singular will be deemed to include the plural and vice versa;
2. Words importing a gender will be deemed to include all other genders;
3. Headings are included for convenience only and will not affect the interpretation of this Policy;
4. "Including" and similar words are not words of limitation;
5. Words, terms and phrases not otherwise defined in this Policy will be given their ordinary meaning;
6. A reference to a business day means a day, other than a Saturday or Sunday, that is not a designated Public Holiday in the relevant location and if something is to be done on a day which is not a business day then that thing must be done on the next or following business day.

1.6 Amendments & Variations to Policy

(A) AFL Tasmania will review this Policy annually and may make amendments and variations to the Policy from time to time in order to meet the stated objectives.

2 AFL TASMANIA RESPONSIBILITIES

2.1 Role of AFL Tasmania

(A) Review, determine and communicate Total Team Points in accordance with Clause 3.1 and Clause 3.3.

(B) Consider all applications from Clubs for an increase to their Total Team Points in accordance with Clause 3.2

(C) Respond to any enquiries from Clubs in relation to Total Team Points.

(D) Determine the Player Point Value for each player registered with a Club.

(E) Respond to any enquiries from clubs in relation to the Player Points Value.

(F) Establish an Appeals Board to hear matters as required within Clause 6

3 TOTAL TEAM POINTS

3.1 Allocation of Total Team Points

(A) Each Team that is participating in a Competition to which this Policy applies, is to be allocated a capped amount of player points, known as 'Total Team Points', which cannot be exceeded by that Team in any Competition Match during the Season.

(B) The allocation of Total Team Points for each Team is to be:

1. Determined by AFL Tasmania, in its ultimate discretion, subject to Clause 3.3; and
2. Notified to the League and Clubs by **31 October** of the calendar year that immediately precedes the Season to which this Policy applies, or by such other date as determined by AFL Tasmania and communicated to the League and Clubs; and
3. Published by the AFL Tasmania in Appendix One of this Policy.

3.2 Club Submission on Total Team Points

(A) A Club may make a submission to AFL Tasmania requesting that additional Total Team Points be allocated to any of its Teams for the Season to which this Policy applies.

(B) Any submission made by a Club under Clause 3.2(A) must be:

1. In the prescribed form (as per Appendix Two); and
2. Be submitted to AFL Tasmania by no later than 1st of March in the same calendar year in which the competition is scheduled, or other date as determined by AFL Tasmania.

3.3 Determination of a Team's Total Team Points Submission

(A) In determining a submission for additional Total Team Points submitted in accordance with 3.2, AFL Tasmania:

1. Will seek feedback from the League.
2. Will consider any submission from a Club made in accordance with Clause 3.2;
3. May consider factors detailed in Clause 3.3(B);
4. May follow any process it considers relevant to a proper determination, including interviewing a Club or seeking further information from a Club;
5. May allocate additional points to Total Team Points to specific Teams in accordance with this Policy, and in consideration of existing unique local conditions to meet the Objectives of this

Policy;

6. Will allocate the final figure for Total Team Points to each Team in accordance with this Policy.
7. May apply any conditions it deems appropriate or necessary when granting additional Total Team Points.

(B) In its determination under Clause 3.3(A), AFL Tasmania may give consideration to the following:

1. The geographic location of a Club and the size, density and characteristics of the population within its region relative to other Clubs, including any structural or demographic factors that may impact its ability to attract and retain Players;
2. The level of success achieved by a Team over a sustained period, including premierships, finals appearances, ladder position and on-field performance;
3. A Team's lack of competitiveness over a sustained period, including extended periods of low ladder finishes, high losing margins or inability to field competitive squads;
4. Any material changes in the strength, structure or sustainability of a Club's junior or player development pathways for reasons outside the control of the club;
5. Any relevant changes in a Club's operating environment, including facilities, funding, alliances, demographic shifts or competitive balance within the League for reasons outside the control of the club;
6. The need to promote competition-wide equalisation, integrity and sustainability, including avoiding the concentration of playing talent within a small number of Clubs; and
7. Any other matter AFL Tasmania considers relevant to achieving a fair and competitively balanced competition.
8. AFL Tasmania is not required to give equal weight to any factor listed above and may place such weight on any factor or factors as it considers appropriate in the circumstances. AFL Tasmania may also determine that one or more factors outweigh others in order to protect the overall integrity, balance and sustainability of the competition.

3.4 Management of Additional Total Team Points

(A) Where a team is granted additional Total Team Points, the additional points shall reduce each subsequent season in accordance with the following;

1. An annual reduction of Total Team Points in accordance with the below until the team reaches the Total Team Point allocation published in Appendix 1.
    a) If the team did not participate in finals in the previous season – one (1) points
    b) If the team participated in finals in the previous season – two (2) points

3.5 Matchday Application of Total Team Points

(A) For any Team participating in a Match to which this Policy applies, a Club must ensure that:

1. the Total Team Points for the Team is calculated on the players selected to participate in the Team for the relevant Competition as defined in the Rules;
2. the Total Team Points does not exceed the number of points allocated under Clause 3.1 and Appendix One; and
3. a Team Sheet is completed in accordance with the Rules, and that Team Sheet details:
    (a) the Player Point Value for each Player selected on the Team Sheet.

(B) In addition to 3.5 (A), for any Team participating in a Senior Men's Competition Match to which this Policy applies, a Club must ensure that the Team Sheet details:

(a) the maximum number of players allowed for the Team;

Guidance Note: *For example, if the Rules specify that the maximum number of players for Team in a competition Match is 22, there must be 22 players listed on the team sheet for the purpose of calculating the Team's points for the Match.*

(C) Any Club that fails to comply with Clause 3.5(A) and/or 3.5 (B) will be subject to the compliance process in accordance with Clause 5 this Policy

Guidance Note: *Player Points Values and Total Team Points will be managed via PlayHQ. PlayHQ will not permit a Club to enter and submit a Team Sheet that has an allocation of more than that Team's permitted Total Team Points for a Match.*

4 INDIVIDUAL PLAYER POINTS VALUE

4.1 Determining Player Points Value

(A) Any Player who participates in a Competition to which this Policy applies (see Table 1) must be assigned a Player Points Value within PlayHQ by AFL Tasmania in accordance with this Policy prior to participation in a Match.

(B) The determination of a Player Points Value takes into account that Player's playing history, including matches played on Permit, and achievements and is structured in a way to promote Player development, loyalty, and retention.

(C) The key steps to determining a Player Points Value are:

1. determine the Player Category and associated Base Value (Clause 4.2 and Table 3);
2. determine if any Additions apply (Clause 4.3 and Table 4); and
3. determine if any Deductions apply (Clause 4.3 and Table 4)

(D) The Player Points Value for any Player playing under a Permit in a competition Match to which this policy applies, is to be assessed as if the Player is a Transferred Player.

(E) A playing coach or playing assistant coach is, for the purpose of this Policy, classified as a Player.

4.2 Player Category and Base Value

(A) Except for an Existing Player, a Player Category and Base Value is to be:

1. determined by assessing the Player under Table 3; and
2. based on the date the Player most recently Registered at their Current Club.

(B) For an Existing Player:

1. the Player Category (and Base Value) previously determined continues to apply;

(C) Where a Player qualifies in more than one Player Category in Table 3, the Player Category with the highest points will apply, except where a Player is assessed as a Category 1 Player, Category 0 Player, or Promotional Player.

(D) Where a Player does not meet any of the Player Categories in Table 3, AFL Tasmania will make a determination on the appropriate Player Points Value.

(E) Where a player returns to a Southern Tasmanian Football League Club from a Club that competes in a Competition outside of Australia, and the player has not played for a Club in a Competition within Australia since leaving the same Southern Tasmanian Football League Club, the player shall be treated as if continuing their participation with the Southern Tasmanian Football League Club.

(F) In determining a Player's Category under Clause 4.2(D), AFL Tasmania will have regard to all relevant factors so as not to unreasonably restrict the Player's movement.

4.3 Additions and Deductions

(A) In calculating a Player Points Value, any Additions and Deductions are to be determined by reference to Table 4.

(B) Additions and Deductions do not apply to a player who is classified as a Home Player or an Inactive Player.

Table 4 – Additions & Deductions for Player Points Value

Type	Value	Applies To	
Addition	1 Point	If Player is granted **three (3) or more Transfers** in the period covering the current and past three (3) Seasons. A transfer will count even if the player: (i) did not play a game at the Destination Club following the Transfer; or (ii) is transferring back to a Former Club. NOTE: if the player is deemed to be a Home Player this addition will not be applicable.	
		Exclusions (Automatic)	Player movement via a Permit is not counted as a Transfer for the purpose of this provision.
			A Transfer is not counted where it is required for a Player to transition to a senior club from a Junior Club.
		Potential Exclusions (Application)	A club may apply in writing to AFL Tasmania for the exclusion of a Transfer where it provides evidence that the Transfer was necessary due to: (i) a Defence Force placement; or (ii) a Player's Former Club no longer operating or participating in a competition; or (iii) a Player moving out of the AFL (Category 6).
Addition	1 Point	If a Player under the age of 21 as of 1 January in the year of the Season Transfers from a SFL Premier League Club to a SFL Community League Club.	
		Exclusions (Automatic)	If the Player is categorised as a Home Player for the Destination Club.
Deduction	1 Point	For each Season of Service to the Club, even if not in consecutive years, until the Player reaches one (1) point.	
		Season of Service Criteria	A Player must have qualified for finals (for the Club) in the preceding season for the deduction to apply.
Deduction	Variable	Family Connection: A players point allocation shall be reduced to one point (1) if the player's parents or grandparents have played 50 or more matches in the senior Men's or Women's competition for the same Club. AFL Tasmania may require documentary evidence or historical club records before granting the deduction.	
Deduction	Variable	AFL Tasmania may, acting reasonably, reassess an individual player's Player Points Value where it is deemed inappropriate in accordance with Clause 4.4.	

4.4 Player Point Value Reassessment

(A) Following determination of a Player's Player Point Value under Clauses 4.1, 4.2 and 4.3 and entry in PlayHQ by AFL Tasmania, a Club may apply to AFL Tasmania for the Player's Player Point Value to be reassessed.

(B) Any reassessment application by a Club under Clause 4.4(A) must:

1. be submitted on the Application for Reassessment of a Player Points Value form (see Appendix Three); and
2. provide details of all grounds, together with any supporting evidence, that the club wishes to be considered by AFL Tasmania; and
3. be submitted via email to the relevant AFL Tasmania Competition Manager;

(C) A Club may submit a Player Point Value reassessment application for a Player a maximum of once per Season.

(D) Upon application from a Club, AFL Tasmania may, acting reasonably, reassess and redetermine a Player Points Value where it is deemed inappropriate based on one or more of the following grounds;

1. a Player's playing history and achievements;
2. a Player's age, particularly if the Player is participating at a higher level;
3. a Player's injury history;
4. a Player's living circumstances;
5. any other circumstances or consideration AFL Tasmania deems appropriate

Guidance Note: *A Player's living circumstances may only be taken into consideration for a Player Under the age of 18, and in the first season that a Player registers in the Southern Tasmanian Football League.*

(E) When considering a Player Points Value reassessment application, AFL Tasmania may take into consideration the competitive balance, integrity and sustainability of the competition.

(F) Whilst a Player Point Value reassessment application submitted in accordance with Clause 4.4 is under consideration by AFL Tasmania, the Player's Points Value remains unchanged.

(G) Any reassessment application by a Club, made in accordance with Clause 4.4 (B), is to be determined by AFL Tasmania within 14 days of receipt unless it is not practicable to do so or additional information is sought from the applicant.

(H) AFL Tasmania is not bound by the rules of evidence or by practices and procedures applicable to a court of law and may inform itself as to any matter in any such manner as it determines.

(I) Where a Player Point Value reassessment application is approved, the revised Player Point Value will not be applicable for three clear business days from the date if application.

Guidance Note: *Example 1 – An application submitted on a Tuesday, if approved on the Wednesday, Thursday or Friday, the revised Player Points Value is applicable from the Saturday.*

Example 2 – An application submitted on a Thursday, if approved on the Friday, Monday or Tuesday, the revised Player Points Value is applicable from the Wednesday.

(J) Any determination made by the AFL Tasmania in accordance with Clause 4.4(D) may be subject to further appeal in accordance with Clause 6.1.

(K) A Club may only make an application for reassessment of a Player Point Value for a player registered with the same club. No Club can apply for a reassessment of another Club's player.

5 ENFORCEMENT

5.1 Compliance & Penalties

(A) A Club, its Officials and its Players are required to comply with this Policy.

(B) A Club, its Officials and its Players must co-operate with any investigation by AFL Tasmania into a potential breach of this Policy.

(C) The potential penalties or sanctions for any Club, Official or Player found to be in breach of this Policy may include (without limitation):

1. Imposing a fine on a Club of up to $1,000 for a first offence;

2. Imposing a fine on a Club of up to $2,000 for a subsequent offence;
3. Reversal of the premiership points attributed to the original match result
4. Loss of premiership points (current Season and/ or in future Seasons);
5. Suspension of a Team's participation in the finals (current Season and/ or in future Seasons);
6. Suspension of a Player or Official suspensions where a Player or Officials has provided false information to the Club;
7. Reduction in Total Team Points
8. Any other sanction or penalty considered appropriate by AFL Tasmania.

(D) AFL Tasmania may enforce the terms of this Policy and invoke sanctions only if it has given the Club alleged to have infringed this Policy:

1. reasonable details of the alleged infringement;
2. notice of possible sanctions; and
3. the opportunity to be heard in relation to the issues of infringement and sanction.

(E) In applying any enforcement provisions in relation to any breach of the Policy, AFL Tasmania shall take into consideration whether the breach is assessed as:

1. Unintentional – where a Club or Official had not been provided with accurate information;
2. Interpretative – where a Club or Official is considered to have reasonably misinterpreted the PPS Policy;
3. Intentional – where a breach by a Club, Player or Official had occurred with little or no regard to the relevant Policy requirements, and/or is considered to be deliberate.

6 APPEALS

6.1 Appeal of an AFL Tasmania Decision

(A) A Club may appeal a decision by AFL Tasmania that was made under the following Clauses:

1. Clause 3.3 – Determination of Team's Total Team Points Submission; and
2. Clause 4.4 – Determination of a Player Point Value Reassessment; and
3. Clause 5 – Enforcement Decision

(B) An appeal application by a Club under Clause 6.1(A) must:
